

America's Potluck in California

Guide to Celebrating

WHAT: As the nation commemorates the 250th anniversary of the Declaration of Independence, gather to build community over a shared meal.

WHO: Gather with your neighbors, friends, family, house of worship, school or other community group.

WHEN: Sunday, July 5, 2026 is the official day of America's Potluck (but there's no wrong day to gather community!).

WHERE: Gather where you see fit - from your backyard, to a park, to a community center, to a banquet hall.

HOW: Start planning now. Decide who you want to invite - do you want to celebrate with your friends and family or use this opportunity to branch out and strengthen a new community? Then pick your time and place, send invitations and ask everyone to bring a dish!
